Chewy, buttery, and golden caramel is covered in Des Alpes milk or dark couverture to create this all-time favorite. Each piece is hand decorated with contrasting milk or dark couverture stripes.

Smooth peanut butter, made from fresh roasted peanuts, is artfully combined with Des Alpes milk couverture to form the center of this quintessentially American confection. Each piece is finished in milk or dark couverture with three diagonal lines.

This traditional praline consists of a whole maraschino cherry surrounded by a sweet cherry filling with just a hint of brandy. A rounded shell, made of milk or dark Des Alpes couverture, with a swirl on top completes this American classic.
