Subject: URGENT – FRESHWAY FOODS RECALL of CELERY (MUA)
Date: Sat, Nov 28, 2015 10:00 am

**URGENT – FRESHWAY FOODS RECALL of CELERY (MUA)
 IMMEDIATE ACTION NECESSARY**

Please be aware that receipt of this communication is NOT confirmation that you have received affected product. This correspondence has been distributed as a courtesy to Sysco customer corporate contacts as a notification of a general recall/withdrawal/hold situation. If the unit locations received affected product, they will be contacted by the Sysco Operating Company that services them. If any one of your locations purchased this item(s), regardless of distributor, it is recommended that you check your inventory for affected product.

THIS PRODUCT IS A REPORTABLE FOOD.

Sysco Quality Assurance received notification that Freshway Foods is conducting a voluntary product RECALL of celery.

This recall is being initiated because the celery may be contaminated with E. coli 0157:H.

THE AFFECTED PRODUCTS ARE AS FOLLOWS:

We are awaiting SUPCs for Sysco Operating Companies. We will send an update when this information is available.
