Subject: URGENT – THE MORRISON MILLING COMPANY RECALL of CORN PRODUCTS (MUA)
Date: Fri, Dec 11, 2015 7:23 am

**URGENT – THE MORRISON MILLING COMPANY RECALL of CORN PRODUCTS (MUA)
 IMMEDIATE ACTION NECESSARY**

Please be aware that receipt of this communication is NOT confirmation that you have received affected product. This correspondence has been distributed as a courtesy to Sysco customer corporate contacts as a notification of a general recall/withdrawal/hold situation. If the unit locations received affected product, they will be contacted by the Sysco Operating Company that services them. If any one of your locations purchased this item(s), regardless of distributor, it is recommended that you check your inventory for affected product.

THIS PRODUCT IS NOT A REPORTABLE FOOD.

Sysco Quality Assurance received notification that THE MORRISON MILLING COMPANY is conducting a voluntary product RECALL of CORN PRODUCTS. The products in question were shipped between **12-31-2013** and **12-07-2015**.

The reason for the RECALL is quality related. THE MORRISON MILLING COMPANY is recalling certain corn products due to the possible presence of fragments of flexible metal mesh caused by a faulty screen which could present a choking hazard. This is a food safety concern.
